Excel & Reporting: Advanced Excel (PivotTables, XLOOKUP, VLOOKUP/INDEX-MATCH, Data Validation, Conditional Formatting, VBA Macros), monthly MIS and performance reports

Databases & Tools: SQL, MySQL, Power BI, Python (Pandas), Jupyter Notebook

Systems: Shopify, WordPress, Odoo, Amazon, Flipkart and Meesho seller panels

Professional: Accuracy, attention to detail, time management, problem solving, remote collaboration

PROFESSIONAL EXPERIENCE

Data Analyst | AZAD Solar, Kichha, Uttarakhand **January 2026 – Present**

- Recorded and tracked dealer enquiries, leads and conversions end to end, keeping data accurate and up to date.
- Prepared monthly sales, inventory and performance reports in Excel for leadership review.
- Analysed area-wise order volumes and product demand to identify high- and low-performing territories.

Web Developer | AI Researcher | Opsilot AI, India **June 2025 – December 2025**

- Managed catalogue setup, product data and content for 15+ client online stores and websites.
- Built automation workflows (n8n, Zapier) that cut manual client-onboarding effort by ~30%.
- Worked with MySQL databases and REST APIs to keep client business data organised and connected.

Website Manager | Blue Space Consulting, Delhi **January 2024 – May 2025**

- Managed listings, inventory, pricing and promotions across Amazon, Flipkart and Meesho, keeping product data accurate on each channel.
- Resolved product page, catalogue and checkout data issues on the company storefront.

Web Developer | DROP AI, Shivamogga, Karnataka **August 2022 – November 2023**

- Worked with database, backend and frontend layers, and fixed defects consistently within release timelines.

ACHIEVEMENTS

- Named Employee of the Month twice for performance and reliability.
- Ranked #1 in India on HackerRank's SQL Practice track.

EDUCATION & CERTIFICATIONS

Diploma, Data Analytics Using AI | GyanSetu **Aug 2026 – Present**

Bachelor of Computer Applications (BCA) | 3rd-year coursework completed; degree not completed **2021 – 2024**

HackerRank Verified: SQL (Advanced), Problem Solving (Intermediate)
